Room No. 1107, Sanchar Bhawan, N. Delhi-1

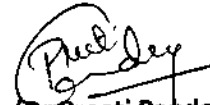

Dated: 20th Aug, 2009

To
The Pr. CCA,
West Bengal
Kolkata.

Sub: Correspondence with the Tech Branch of USOF regarding USO activities.

It has come in the notice of Finance wing of USOF HQ that your office has directly corresponded and received the information from Technical wing of USOF HQ in relation to the modification in Condition of Agreement related to RCPs. Such a practice would seriously hamper the process of proper dissemination of the information/instructions in an organized, streamlined and uniform manner to all the CCA offices.

You are therefore requested to direct all the queries/correspondence relating to USO activities **only** to the Finance wing of USOF HQ in future so as to avoid ambiguity and errors in the USO subsidy claim settlement.
